WOW, WHAT AN ATTRACTIVE display of prizes to be given away in the new poster contest, announced by the Safety Department! Ann Harris, ORNL employee in Y-12, holds the golf cart, and the three-gallon sprayer is in the background. The quarterly contest, which closes February 28, has as its theme "Off-the-Job Safety."

New Poster Contest Opened On Quarterly Basis With 'Off-The-Job' Safety Theme

Safety Department's poster contest has been slightly changed for the new year. The contest will now be on a quarterly basis, rather than a month-by-month schedule. Entries are the same as in the old contest.

The theme for the second quarter's poster will be "Off-the-job safety." The announced deadline for this contest is Thursday, February 28.

Any employee in Y-12 is eligible to enter the contest. Ideas should be submitted on white paper, preferably eight and one-half inches by 11 inches. Wording on the slogan should not exceed 10 words.

The April-May-June contest features as awards a golf cart and a three-gallon sprayer. The first winner will get his choice of the two awards.

All entries become the property of the Safety Department and cannot be returned. An employee may submit as many entries as he desires in each contest. Poster ideas should be mailed to the Safety Department, Room 154, Building 9704-2, Zone 2.

Judging for the second quarter's contest will take place shortly after the February 28 deadline by Safety. Winners will be announced in the Bulletin. The first place winner's poster will be adapted for plant bulletin board use.

Members of employees' families may submit entries in the contest, but the name of the employee, his department number

and badge number must appear on the back of the poster idea.

With Spring just around the corner a golf cart, or a fruit-tree or garden sprayer might be just the thing needed by some lucky and talented Y-12er. Entries will be received all during January and February for the first quarterly contest.

AEC Donates \$1 Million In Surplus To Tennessee

The Atomic Energy Commission's Oak Ridge Operations donated surplus property valued at \$1,103,047 to the State of Tennessee during 1962. The surplus property, which includes laboratory supplies, detection instruments and various types of equipment, is transferred for use in education.

Y-12 Credit Union Members Hear Good Word As Group Assets Soar Over \$4 Million Mark

6-11390

6-11391

Y-12ers got the good word last week that their Credit Union's health has never been better. The Credit Union's total assets went beyond the \$4,000,000 mark in 1962. At the annual meeting held last Wednesday, January 16, more than 125 members crowded in to hear the end of another successful year reported.

The meeting was held in the Ridge Recreation Hall.

The president of the Y-12 credit organization, E. G. 'Sunny' Richardson gave the report for the board of directors. The board establishes policy and charts the fundamental operation of the credit group.

"The new building continues to be a source of pride to members and to the working staff and in fact to all of the citizens of Oak Ridge," Richardson reported. "The trend toward Credit Unions owning their own building is increasing and many inquiries have been received from all over the nation as to how we planned and brought to completion our home."

Policy Changes

Richardson also pointed out some policy changes that were made during the past year. To vote, a member must be at least 16 years of age. With the approval of the Director of Bureau of Federal Credit Unions a cash fund from which withdrawals may be made in cash up to \$200 was instigated. This was done for convenience of membership and reduces considerably the number of checks to be written. The maximum limits for share holdings were increased from \$6,000 to \$10,000 for an individual account; and from \$10,000 to \$15,000 for a joint account.

"THE STATE OF YOUR CREDIT UNION is good," reported Lorena Causey, treasurer-manager, left; and E. G. Richardson, right, president of Y-12's Credit Union. The group held its annual meeting last Wednesday, January 16, in Oak Ridge.

The president also reported that operating costs were only 32.33 per cent of gross income last year, far below the national level of Credit Unions of comparable size. This low cost was maintained through the streamlining of bookkeeping procedures and the efficient work of the credit union manager and her staff. A new reproduction machine has been purchased to eliminate costly printing jobs.

Mrs. Lorena Causey, Treasurer-

manager, gave a detailed account of operating costs for 1962. She also declared the five per cent per annum dividend for the past six months of the year. This will be automatically added to a member's account.

The soundness of the Credit Union is reflected in the gain in total assets, as well as the amount loaned to Y-12ers during the past year.

Elected on new terms to the

WEDDINGS

Mr. and Mrs. Ernest K. Yates

YATES—FOSTER

Mr. and Mrs. Ernest K. Yates are at home at 104 Paine Lane, Oak Ridge, after their Friday, January 4 wedding. They were married at the home of the bride's niece, Mrs. T. M. Allensworth, Bethesda, Maryland. Officiating at the rites was the Reverend Robert L. Zoerheide.

Mrs. Yates, the former Lena Parmley Foster, operates a beauty salon in Oak Ridge. The groom is a graduate of the University of Tennessee and is employed in Y-12's Product Processing Department, Chemical Operations Division.

For her wedding the bride chose a beige chiffon street length dress with matching head covering. She wore a white orchid corsage.

Mrs. T. M. Allensworth was her aunt's matron-of-honor. She wore a gold satin brocade dress with matching shoes and yellow rosebud corsage.

Lt. Commander T. M. Allensworth was the groom's best man. The couple was honored by a reception, following the home wedding. After an Eastern wedding trip, the couple is now at home in Oak Ridge.

Traffic Mishaps Cause Accident Rise In '62

Accidents took approximately 95,000 lives in the United States last year, an increase of nearly 3,000 over the toll in the preceding year, according to statisticians of Metropolitan Life Insurance Company.

The increase between 1961 and 1962 reflected very largely a rise of 2,500 in the number of lives lost in motor vehicle accidents, which reached an all-time high of 41,000 in 1962.

We heard a sad story the other day about vacations. It seems this fellow decided during the holidays to take a vacation and go away to forget everything. He got away from home, and sure enough, he had forgotten everything.

An Indian Prayer

An Indian group in Colorado has produced the prayer shown below. It is believed the statement would be acceptable to men of all faiths wherever it has been repeated.

"O, Great Spirit, whose voice I hear in the winds and whose breath gives life to everyone, hear me.

"I come to you as one of your many children. I am weak; I am small; I need your wisdom and your strength.

"Let me walk in beauty and make my eyes ever behold the red and purple sunsets. Make my hands respect the things you have made and make my ears sharp so I may hear your voice. Make me wise so I may understand what you have taught my people and the lessons which are hidden in each leaf and in each rock.

"I ask for wisdom and strength not to be superior to my brothers but to be able to fight my biggest enemy—myself.

"Make me ever ready so I may come before you with clean hands, straight eyes; and as life is fading away like a fading sunset, my spirit comes to you without shame."

Health Physics Has Tuesday Meet

The East Tennessee Chapter of the Health Physics Society will hold the annual meeting at the Elks Lodge on Arkansas Avenue in Oak Ridge, Tuesday, January 29, at 7:30 p.m. Members' wives are invited.

Outgoing president John A. Auxier will introduce the newly elected officers. The 1962 chapter and status report will also be given by the outgoing president. Newly elected officers are: H. V. Heacker, AEC; president-elect, R. J. Cloutier, ORINS; secretary, N. B. Schultz, ORGDP, and Council member, R. L. Clark, ORNL. Serving on unexpired terms are treasurer, G. F. Stone, TVA, Edmond Roberts Jr., Y-12 and H. H. Abbe, ORNL, as executive councilmen. C. M. 'Hap' West will present a humorous talk on "Contributions made to Health Physics by the East Tennessee Chapter."

Dinner costs are \$2.50 per person which include a steak dinner. Reservations may be made through Y-12's Paul McRee, telephone extension 7216.

TV Taste Consistent

The new season for television saw the entrance of an hour and a half Western, more doctor, nurse-type shows, more Westerns, more private eyes. One thing you can say about TV's taste. . . it's consistent. . . consistently bad, that is.

Paschall Daughter Earns Outstanding Award For Performance At Pacific Missile Range

Commendation Brought Home During Holidays By Navy Employee Who Also Served In Sweden

The James F. Paschall home in Clinton was brightened during the recent holidays with the visit of their daughter Noraleen Paschall, who works at the Pacific Missile Range, Point Mugu, California.

Noraleen brought her parents a pleasant surprise also by producing a certificate of commendation for outstanding performance. She is an employee for the United States Navy at the missile range station. The incentive award read in part "You are to be commended for the exceptional accomplishment which merits this award. Your contribution to this Activity is sincerely appreciated. In further recognition of your attainment, it is a pleasure to present a cash award of \$150. A copy of this certificate will be made a part of your permanent employment records."

Noraleen has been with the Navy Department for the past several years, having spent five years in Washington, D. C., two in the American Embassy in Stockholm, Sweden, and has held her present position for the past two years.

The Paschalls live on Green-

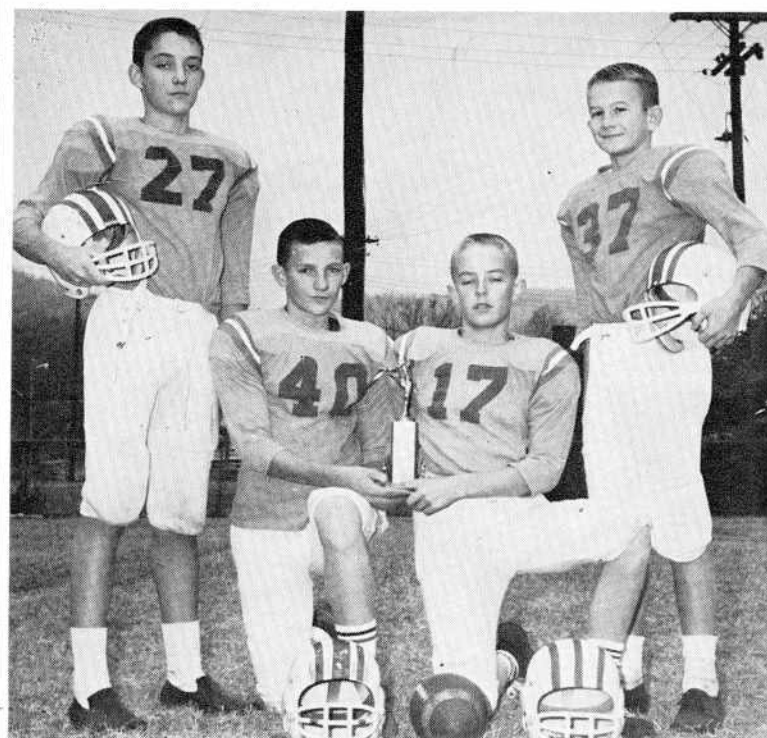

wood Drive, in Clinton, and the father is in Y-12's Stores Department.

ORNL Visitors At All-Time High

An all-time high—18,098 persons—visited Oak Ridge National Laboratory during 1962. Another new mark—7,800—was set by those conducted on guided tours for the Laboratory. Of this group, 60.7 per cent were high school and college students representing 129 schools in 18 states. Others touring were technical groups, special training groups, and private individuals.

The educational tours held for high school and college on Saturday included two reactors, a radioisotope "hot cell," the radioisotope packaging and shipping area, and a portion of the Central Research Building.

In addition, ORNL's open house for UCNC employees and their families drew over 6,000 visitors during the September 8, 9 weekend.

1962 Annual Fishing Rodeo Winners Named With 3 Winners In Each Species

**H. N. Benninghoff Takes Biggest Fish Of Year
With 19-Pound Plus Catfish; Awards Ordered**

The 1962 Annual Fishing Rodeo has been judged. Winners showed up in every category . . . three prizes in each. The largest fish caught in the entire contest was a nineteen-pound plus catfish dragged in by H. N. Benninghoff, Shift Superintendents. J. D. Collins, Special Mechanical Production, came close to setting a record in the four pound, nine ounce sauger he caught.

THE BIGGEST ONE caught in the 1962 Fishing Rodeo is the whopper of a cat fish, wielded in by H. N. Benninghoff. The mighty denizen weighed more than 19 pounds. 'Bennie' who likes to fish for any kind was particularly glad to take in 1962's record as far as Y-12 goes.

Prize-winners are shown in their respective categories:

LARGEMOUTH BASS

1. R. B. Smith, Stores, seven pounds, 14 ounces.
2. L. L. Spear, General Machine Shop, seven pounds, 11 ounces.
3. A. Clay Smith, Physical Testing, seven pounds, four ounces.

SMALLMOUTH BASS

1. A. Clay Smith, Physical Testing, six pounds, two ounces.
2. Hubert V. Tripp, Sr., Research Services, five pounds.
3. C. C. Bowman, Research Services, four pounds, four ounces.

Bowling Tourney Set February 9, 10

**Deadline For Filing
Is Tuesday, Jan. 29**

Calling all Y-12 bowlers. Get set for the big inter-plant tournament coming up the week-end of February 9, 10, at the Ark Lanes, Oak Ridge.

All UCNC employees in Y-12 who have bowled in a sanctioned league (plant-sponsored or otherwise) and who have bowled 12 games between August 1, 1962 and January 18, 1963 are eligible to participate in the fast action. All averages must be certified correct by the appropriate league secretary.

Handicap Prizes

Handicaps will be based on 70 per cent of the difference of each entrant's highest league average and 200. Averages used will be the highest league average as of January 18. Cash prizes will be awarded on a handicap basis only. Trophies will be awarded to the first and second place winners in Scratch, Handicap Events and All Events. Scratch All Events Winner will be considered Y-12 Champion Bowler, both man and woman.

Entry blanks are available from league secretaries, or the Recreation Office, Room 149, Building 9704-2. They must be submitted by next Tuesday 4:30 p.m., January 29. The entry fee, which must accompany the application, will total \$2.50 per person per event. It will be distributed as follows: \$1 prize fee and \$1.50 bowling fee. The entire one dollar will be returned 100 per cent in prizes.

Must Roll In Order

All teams must bowl their members in order listed on entry blanks. Substitutes must present themselves at least 30 minutes before scheduled bowling time to have their averages certified.

Governing the tournament will be ABC and WIBC rules. Entry blanks must show these membership numbers at the top of the entry.

Team captains are urged to have qualified scorekeepers and Team, Doubles, and Singles. Scores will be also checked by a staff working with the tournament secretary.

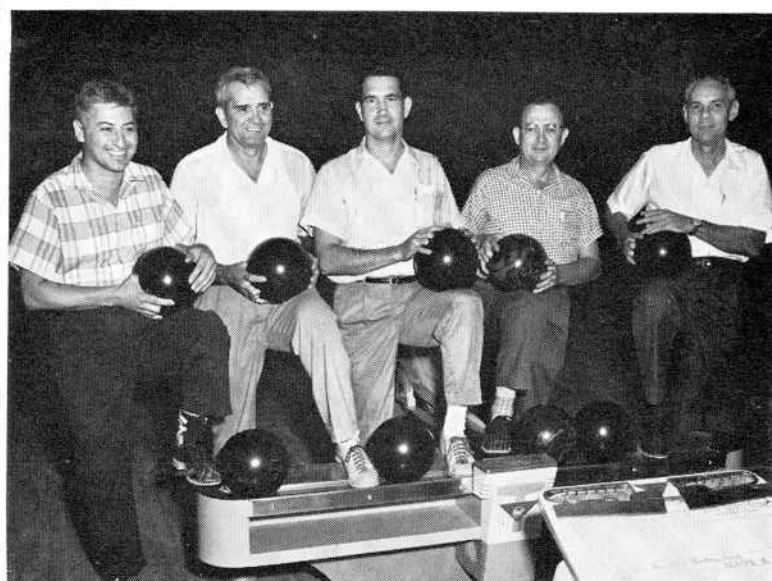

No Schedule Preference

Entrants may bowl one time in each event. Both Doubles and Singles must be entered to roll in either. Entry fee shall be forfeited for any event not bowled as scheduled. Preference will be given in arranging times to shift bowlers only.

All teams and Mixed Doubles will roll Saturday, February 9. Doubles and Singles will bowl Sunday, February 10, except as scheduled. No bowling will be allowed prior to after tournament dates.

The dead-line again is listed as next Tuesday, January 29. No entries will be received after 4:30 p.m. of that date.

Tournament directors are W. T. Mee, L. C. Watson, Irene Carmack, and R. T. Cantrell, secretary.

THE DRY HIDES stand in a close second place (with the Reagents and Rusty Five locked in first) in the Bush League. The Y-12 bowlers are, from left, Tom Pappas, Max Bezik, Ray Waldrop, Ambrose Ballard and Larry McLaughlin. With the tight squeeze for top competition among Bush bowlers, it might make good sense to keep an eye on the Dry Hides!

Dry Hides Keep Close Second Place In Bush League; Reagents, Rusty 5 Lead

The Reagents moved up to tie for first place in the Y-12 Bush League for bowlers last week by their three-point win over the Seven Sixties. They share the top berth with the Rusty Five who drew the bye of the week.

The only four point win saw the Dry Hides edge up with a win over the Lucky Five. Other three point wins featured the Hi Balls over the Beavers and the Rollmasters over the Rollniks.

P. A. Cuthbertson, Seven Sixties rolled the high single scratch game by posting a 214. Troy Burklow, Hi Balls, and Cuthbertson tied for high singles han-

dicap with 244 each. Lou Kovach, Rollniks, had high scratch series of 524, and V. C. Barnes, Hi Balls, posted a high series handicap tally of 650.

The Rollniks took high singles with 814 scratch and 1017 handicap; while the Rollmasters gained high series scoring with 2350 scratch and 2893 handicap totals.

League standings follow:

Team	Won	Lost
Reagents	20	8
Rusty Five	20	8
Dry Hides	20	11
Hi Balls	14	14
Lucky Five	14	14
Beavers	13	15
Rollmasters	11½	16½
Seven Sixties	10½	17½

Basketballers Near End Of First Half

**Flyers Need Three
Make-Up Games**

Only two games were played in the Basketball League for Carbiders last week as the Oak Ridge Gaseous Diffusion Plant All Stars ran away with Y-12's Misfits, 53 to 32.

The All Stars played like they were indeed the all stars. They jumped to an early lead and kept adding to it. Outstanding were Clark with 21 points and Cox with 14 for the winning combination. Mahaffey and Riggs' shooting for the Misfits just wasn't enough.

The second game played Monday night was between the Atoms and Lab Demons. The Y-12 Atoms clipped ORDGP's Lab Demons 70 to 35. It looked like a night for runaways. From the beginning whistle the only question was just how much the Atoms would win by. It seemed as if they couldn't miss. Every player got into the scoring column with Jim George leading the pack as usual with 24 points. Ed Cothron had 12, Chitwood 12, and Rose 14. Edd Woy played an outstanding game for the Demons but it just wasn't enough. George led the field in scoring despite his rest in the final period, due to a surplus of fouls.

The Flyers need three games to be made up to finish the first half of the league schedule.

League standings follow:

Team	Won	Lost
Atoms	8	1
All Stars (ORGDP)	8	2
Flyers	5	2
Eagles	3	5
Lab Demons (ORGDP)	2	8
Misfits	1	8

MUSHROOMING INDUSTRY

Rippers Take Classic Lead From Markers

The see-saw battle in the Classic League for Y-12 bowlers got tilted again last week, as the Rippers took over the lead by downing the Screwballs by three points. Four point wins were taken by the Has Beens over the Wolves, the Swingsters over the Playboys, and the Wasps over the Smelters. Other three point wins featured the Rebels over the Markers, the Sportsmen over the Eightballs, and the Tigers over the Cubs. The Bumpers and All Stars placed in a tie sharing two points each.

Len Hart, Bumpers, led scratch scoring with a 225 single game and a 625 series tally. Bob Roe, Tigers, took handicap highs with a 251 single score and a 679 series total. The Bumpers took scratch honors with 925 singles and 2643 series postings; while the Rebels led handicap singles with 1042 and the Wasps took handicap series highs with 2956.

League standings follow:

Team	Won	Lost
Rippers	12½	3½
Markers	11	5
All Stars	11	5
Rebels	11	5
Has Beens	11	5
Swingsters	11	5

10-Pins, Pinquins Share Choice Spot

The Ten Pins now share the lead in the E League for Y-12 bowlers with the Pinquins, thanks to their three point loss to the Cannonballs. The Pinquins moved up also by losing three to the Alley bees. The only clean sweep of the week was made by the Foursquares over the Pintwisters.

John Fernandez, Foursquares, took singles highs with 211 scratch and 249 handicap scores. Lewis Watson, Foursquares, took high scratch series of 516 while Fred Jones of the same team took handicap series highs with 653. The Foursquares came close to sweeping team highs with 659 singles scratch firings, 1913 series scratch and 2384 handicap series totals. The Cannonballs blocked the sweep by taking handicap singles with an 824 posting.

League standings follow:

Team	Won	Lost
Ten Pins	9	3
Pinquins	9	3
Foursquares	6	6
Cannonballs	5	7

3-Way Tie Results In Close C League

The fancy pin-work of the Rodders last week in the C League for Y-12 bowlers provided the only clean sweep of four points and they blasted by the C Shift team. J. V. Haggard of that winning combination rolled a 233 scratch game, a 269 handicap single, and a 654 handicap series. Otis Rackley, Rounders, took highs in the scratch series department.

Other wins were all in the three-point order as the Big Five swept past the SP's, the Hi Lifers hi-jacked the Sunflowers, the Hookers took the Par Busters, the Rounders slew the Strikers, and the Lucky Strikes took the Screwballs.

Team honors were shared as the Rounders took high scratch singles with 934 and high scratch series of 2607. The Rodders took handicap highs with postings of 1036 singles and 2993 series scorings.

The East Tennessee Section of the American Society of Mechanical Engineers is welcoming its national president to its Monday, January 28 meeting. The ASME group will gather for a reception at 6:30 p.m. Monday, at the Loy's Town Lodge Restaurant, 4001 Chapman Highway on U. S. 441 . . . one and one half miles from downtown Knoxville.

The ASME head, Clifford H. Shumaker, Southern Methodist University, will tour Knoxville and Oak Ridge Monday prior to his talk before the local group. A graduate of the University of Kansas, Shumaker has received many honors in the engineering field, among which are the ASME Certificate of Award; ASME's 75th Anniversary Medal; Sigma Tau Medal; Fellow - ASME; listed in "Who's Who in Engineering," and "Who's Who in America."

Dinner is slated for 7:15 p.m. and the speech by the national president will begin at 8 p.m. Local arrangements and reservations may be handled through D. M. Shephard, extension 6686.

All members are urged to attend the meeting and meet ASME's 1962-63 president. Shumaker's lively, factual and entertaining talks of engineering have been widely acclaimed throughout this country. This will be the first presidential visit the local section has enjoyed since 1955.

Guests will be welcomed at the meeting. The cost per dinner is \$2.50 each.

Goofers Seize First Place In Mixed League

The Goofers edged into first place in the Mixed League for Y-12 bowlers last week, taking the Ghosts for the full-count of four for the only sweep of the night. The Cool Cats kept a close second place by rolling by the Phantoms for three big points. The Alley Cats topped the Toppers for three also, and the Pin Plasters and Scrappers scored two points each.

Bob Hagood, Alley Cats, took men's highs with 214 scratch, 233 handicap singles, 588 scratch and 645 handicap series scores. Ann Rackley, Cool Cats, dominated women's singles with a 175 scratch, 224 handicap game. Athala Markland, Phantoms, had a high series handicap score of 585; while Irene Carmack, Cool Cats, took high series scratch with 415.

The top-seeded Goofers swept the boards teamwise with scores of 639, 801, 1818, and 2289.

board of directors were W. C. Moisson, C. V. Ketron and W. E. Davis. T. J. Stephens, E. G. Richardson, Lorena Causey and W. R. McGill are on unexpired terms. The board then met to elect T. J. Stephens as president of 1963. C. V. Ketron was named vice president; Bill Davis, secretary; W. R. McGill, assistant treasurer; and Mrs. Lorena Causey, treasurer-manager. W. C. Moisson was named head of the education committee.

Member Travels Far

One Credit Union member, C. L. Stepp, came from North Carolina to attend the meeting. No longer in Y-12, he still maintains shares in the credit group.

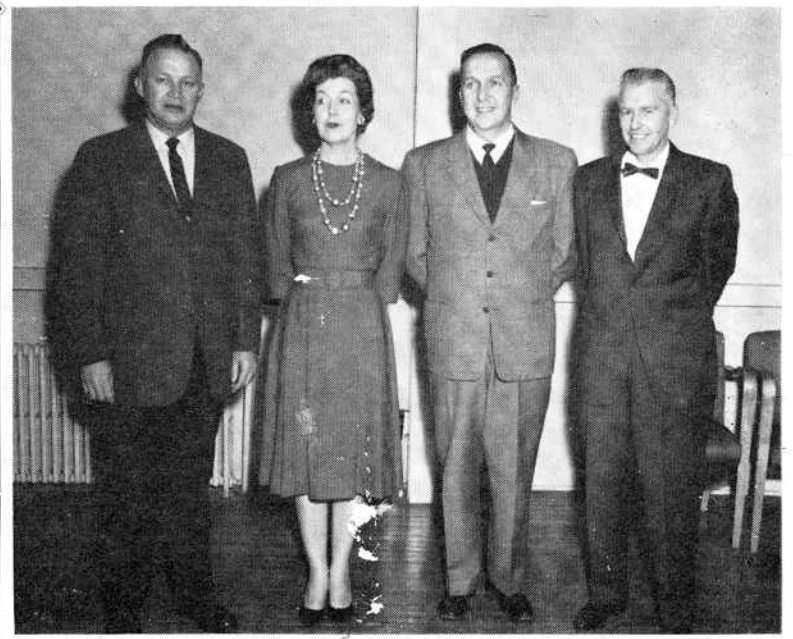

Mrs. Causey, in thanking the board for their help during the past year, reminded the membership that board members not only contribute valuable hours of their time and efforts, they also forego the privilege of borrowing while on the board.

Door prizes amounting to \$100 in silver dollars were awarded those attending the January 16 meeting . . . in amounts of \$25, \$15, two-\$10, and 20—one dollar silver pieces.
